### **Explanatory note**

This special resolution is sought to provide general authority for the company to provide direct or indirect financial assistance to a related or interrelated company or corporation, subject to sub-sections 45(3) and 45(4) of the Companies Act.

Section 45 of the Companies Act provides, *inter alia*, that any direct or indirect financial assistance to a related or interrelated company or corporation must be provided only pursuant to a special resolution of the shareholders, adopted within the previous two years, which approved such assistance either for the specific recipient, or generally for a category of potential recipients, and the specific recipient falls within that category, and the board of directors must be satisfied that:

- immediately after providing the financial assistance, the company would satisfy the solvency and liquidity test, as defined in section 4 of the Companies Act; and
- the terms under which the financial assistance is proposed to be given are fair and reasonable to the company.

When the need arises the company, *inter alia*, provides loans to and/or guarantees repayment or other obligations of subsidiaries or related or interrelated companies. The company requires the ability to continue providing financial assistance to its current and future subsidiaries and/or any other company or corporation that is or becomes related or interrelated, in accordance with section 45 of the Companies Act.

In order to ensure that the company's subsidiaries and other related and interrelated companies and/or corporations have access to financing and/or financial backing from the company, it is necessary to obtain the approval of shareholders to allow the directors of the company to authorise the company to provide such financial assistance.

The authority sought in this resolution does not authorise the company to provide financial assistance to directors or prescribed officers.

"Resolved that the board of directors of the company may, subject to compliance with the requirements of the company's memorandum of incorporation, the Companies Act and the JSE Listings Requirements, authorise the company to provide direct or indirect financial assistance by way of a loan, guarantee, the provision of security or otherwise, to any related or interrelated company or corporation, or to any future subsidiaries and/or any other company or corporation that is or becomes related or interrelated to the company. The financial assistance may be provided at any time during the period commencing on the date of the adoption of this resolution and ending two years after such date."

- (c) a valid e-mail address for the purpose of receiving notice of the manner in which the electronic participation will be conducted.

If a shareholder provides the company with the aforesaid notice and documents, the company shall use its reasonable endeavours to notify the shareholder of the details of the electronic communication through which it can participate in

the AGM and will inform such shareholder of the applicable voting procedures. The cost of participating electronically will be for the expense of the shareholder.

### APPROVALS REQUIRED FOR RESOLUTIONS

Ordinary resolutions numbers 1 to 6 require the approval of more than 50% of the total votes cast on the resolutions by shareholders present or represented by proxy at the AGM. Ordinary resolutions numbers 7 and 8 are proposed for a non-binding advisory vote only and any failure to pass these resolutions will not have any effect on the company's existing arrangements, but the outcome of the votes will be taken into consideration when considering the company's remuneration policy and implementation report, and may trigger further obligations on the part of the company to engage with shareholders.

Special resolutions numbers 1 to 3 require the approval of at least 75% of the total votes cast on the resolutions by shareholders present or represented by proxy at the AGM.

On a poll the holders of ordinary shares shall be entitled to one vote per share.
